Discover something special in the mountains with the **Tauern loungers**, which are set up at select **vantage points** in Piesendorf and Niedernsill.

These ergonomically designed wooden loungers with robust iron frames offer not only exceptional comfort but also spectacular views. Let your gaze wander over the majestic Hohe Tauern or enjoy the panoramic view of the Salzach valley. Each lounge provides a unique perspective, allowing you to leisurely explore the hidden beauties of the region.

Did you know that the valley floor of the Salzach valley was uninhabitable many centuries ago? Through centuries of cultivation and draining of the valley floors, this area has become a fertile and hospitable place.

The Tauern loungers are the perfect spot to take a break and immerse yourself in the impressive landscape.
